### HOOVER ELECTRIC VACUUM CLEANERS AND HOT-POINT IRONS

Why give trash for Christmas, when either a Hoover Electric Cleaner or Hot-Point electric iron would please mother or wife and at the same time save loads of work? They are both practical gifts and are labor-savers. They are indispensable, after you have used them once. Buy one for Christmas.

(x) PARIS GAS & ELECTRIC CO.

### PAY YOUR GAS AND ELECTRIC BILLS

Don't forget that the 10th of the month is the last day to pay your gas and electric bills and save the regular discount. Pay to-day—do not put it off—if it saves us trouble and saves you money.

PARIS GAS & ELECTRIC CO. (1-3t) (Incorporated)

### ORDER CHRISTMAS CARDS THIS WEEK

We have been notified by our engraver that he will not accept any orders after December 4th. Be sure to bring us your orders by the 3rd.

### AN APPROPRIATE CHRISTMAS GIFT

When making up your list of Christmas gifts, don't forget a year's subscription to THE BOURBON NEWS. This is one of the most acceptable gifts you can make. One hundred and four issues of the best paper in Bourbon county would be enough to make anyone glad as a Christmas gift.

### AUTOMOBILE ACCIDENTS

As Calvert Meng was driving on Main street the car skidded in front of the Misses Holladay's candy establishment, made a complete revolution and landed with the front of the machine pointing down street, on the sidewalk. One wheel was crushed and the other slightly damaged. Mr. Meng was not injured.

A machine belonging to E. T. Rule, insurance agent, and one driven by a Nicholas county man, collided near the corner of Eighth and Main streets yesterday morning. The machines were slightly damaged by the impact, but no serious harm resulted to the drivers.

PARIS WATER COMPANY. NEWTON MITCHELL, Supt. (24-tf)

### AUTOMOBILE CONVERTED INTO AN AMBULANCE

George R. Davis, funeral director, has for many months been using his auto hearse both for funerals and for transporting the sick to hospitals. This is the usual practice in nearly every town the size of Paris, but Mr. Davis, who is up-to-date in everything, has had his seven-passenger sedan converted into a combination automobile and ambulance, easily and quickly changed from one to another, with a cot and all necessary equipment. Sick persons will not now be compelled to go through the horror of riding in a vehicle used for both the living and the dead.

## "THE OLD RELIABLE"

# WHY DO YOU PAY RENT?

Probably it appears to you to be the easiest way to get along—it is certainly easy for the landlord. You are making him a present of the house in which you live every few years, but never receive the deed.

By taking advantage of our system of loaning money you will only have to pay for your home once, and the house will be yours while you do it, as you will be paying rent to yourself.

We offer you the opportunity. Do not fail to accept it. Our new series is now open. You can join to-day.
